First, I want to thank the owners of the center, Mike C, GM, Mike D, Pro Shop Proprietor, and all the staff for making the bowlers feel welcome, and providing assistance, when needed. Also thanks to Billy M. Lane maintenance technician, and all who helped by oiling the required lanes.

The event drew 43 paid entries, but it is important to note that new tournaments sometimes require a first year of trial and error. Although the first place prize was dropped from the \$4,000 guarantee months ago, the bowlers were understanding with the prize fund, and not a problem.

Six entries cashed, plus two bowling balls were provided for the high game by a man & woman for the event, thanks to Mike D. from our Pro Shop.

Congratulation to Jay Emillen, who posted a 736 handicap series on the next to last day of the event, under a very challenging condition. Prize money was added by the tournament directors...
