

Bringing the integrity back to the game

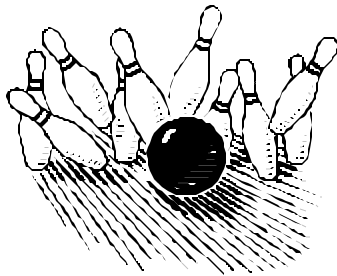

Attention Bowlers

As brought to your attention, 10% of our total proceeds are donated to Skilz Athletics Youths Foundation.

Our goal is to improve the future for the youths subsiding in Charlotte and surrounding areas by encouraging advancements in education while experiencing the daily fundamentals of living through athletics.

Through your participation we are able to give our youths of all sports: equipment, uniforms, tournament entries, etc, whatever we can to enable any youths journey in the world of sports.

So on behalf of our youth and Skilz Athletics Inc, we want to thank everyone for your generosity and continuing support!
